NOVA NEW BONE crockery is an elegant range of classic dining ware. Crafted with meticulous attention to detail. The range delivers a delicate translucency and durability combined with a smooth and luxurious feel. It has a high tolerance to temperatures and material features that increases strength allowing for greater resistance without compromising on thin and delicate rims.

With NOVA NEW BONE, dining is transcended to extraordinary experiences, offering a harmonious blend of sophistication and reliability. Each piece is a testament of uncompromising quality and design excellence, catering to the discerning tastes of all modern hoteliers alike.

Whether it's an intimate event or a lavish banquet, NOVA NEW BONE sets every occasion with understated elegance.

Embrace the future of fine dining with NOVA NEW BONE - where tradition meets innovation, and authenticity meets elegance, ensuring a dining experience that's glamorous and timeless.

NOVA CRAFT, merging functionality with inspiration.

NOVA CRAFT is subtle textures, rich colours, and classic outlines with attention to detail to enhance visual appeal and elevate the overall dining experience. A crafted vitrified crockery range that is practical and versatile for every use, with a unique element that will leave a lasting impression.

NOVA CRAFT is trendy and durable with a designed product range offering, that is manufactured exclusively for the expected needs of the hospitality sector.

Developed to withstand the demands of high-volume use, NOVA CRAFT vitrified crockery is manufactured with durability and lasting quality in mind. From bustling restaurant services to elegant evening banquets, each piece is crafted to endure the demands of the hospitality environment without compromising on style, elegance, and bespoke individuality.

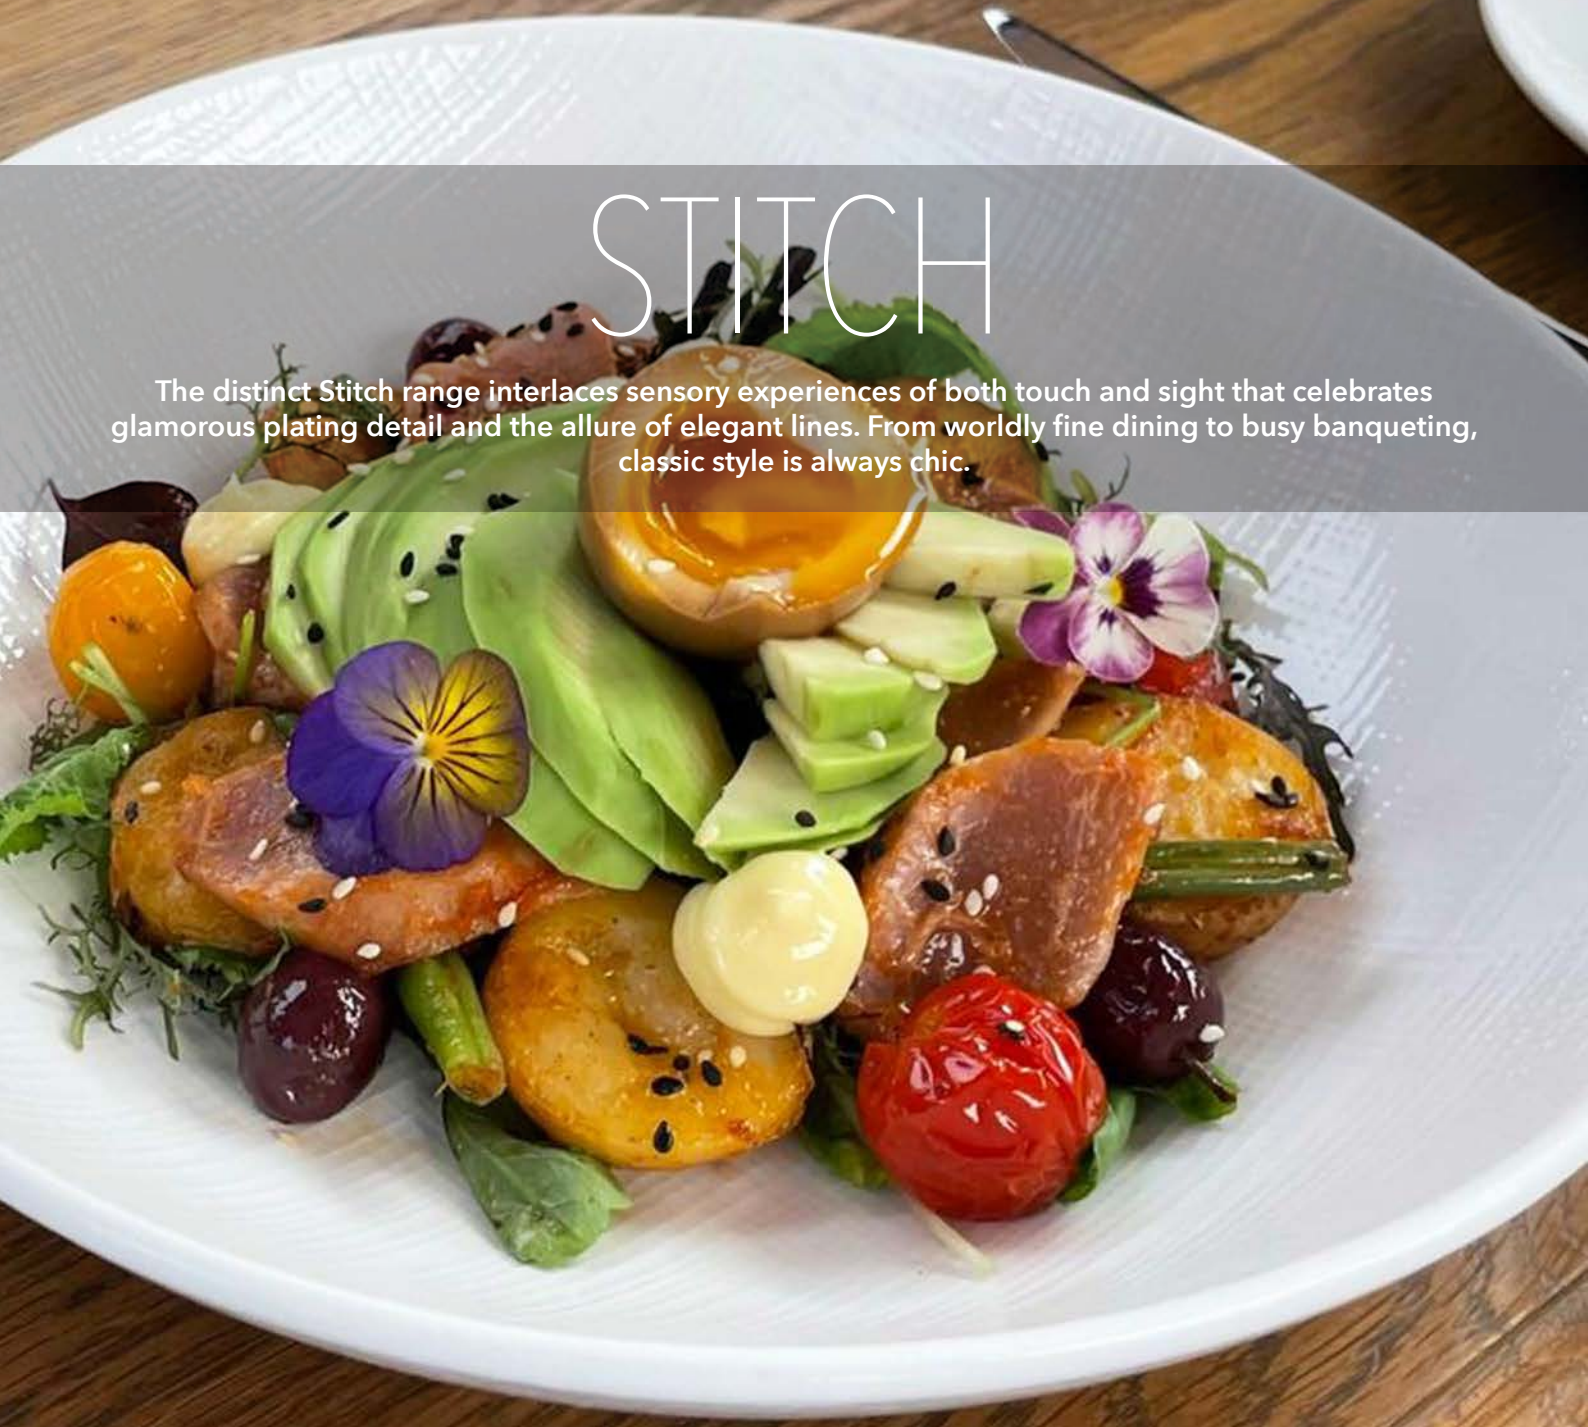

Efficiency meets versatility with NOVA CRAFT, designed to streamline food service operations and quality. Explore our collection and discover the perfect fusion of style, functionality, and durability for every dining experience.
